### **BB Lockdown Browser for Students**

#### Lockdown Browser application Installation:

Open any browser and open AUD Blackboard web page and login.

Install Lockdown Browser application in the Computer being used to take the test.

After login, Click My Institution Tab, Click Download Application, Click Install Now

The Installer file will be downloaded. Open the Installer file.

Respondus LockDown Browser 2 - InstallShield Wizard	_		×
Choose Setup Language Select the language for the installation from the choices below.			
English (United States) French (Canadian) German Italian Portuguese (Brazilian) Spanish			
InstallShield <u>Back</u>	<u>N</u> ext >	Car	ncel

Choose Language as English and Click Next

#### Select I accept the terms of the license agreement and Click Next

Respondus LockDown Brows	er 2 - InstallShield Wizard
	InstallShield Wizard Complete The InstallShield Wizard has successfully installed Respondus LockDown Browser 2. Click Finish to exit the wizard.
	< <u>B</u> ack Finish Cancel

## Click Finish

Now the LockDown Browser Application is installed in the Computer being used to take the test.

Once LockDown Browser has been installed, students should locate the "LockDown Browser" icon on their device and double-click it. (Windows users can find it on their desktop; Mac users can find it in their Applications folder.)

Alternatively, Windows users can go to "Start", locate "All Programs," select "Respondus," and click "Respondus LockDown Browser."

If prompted to close a blocked program (e.g. screen capture, instant messaging), choose **Close Process** when prompted.

At start-up, LockDown Browser will automatically go to the login page for the AUD Blackboard web page. Login using your AUD Blackboard credential.

Choose your **Course Name->Content Area->**Choose the Test/Exam provided by the Professor.

CockDown Browser	
Your webcam recording is complete!	
How did LockDown Browser and the webcam work during this session?	
All went smoothly. No issues to report.	
Some minor issues, but nothing too serious.	
Ouch! I had significant problems (describe below).	
Provide feedback to Respondus if you experienced a technical problem with LockDown Browser. Instructors DD NOT see this feedback, so don't comment on the exam content itself.
