

MANDATORY HEALTH INSURANCE WAIVER

Private health insurance covering care in the UAE is mandatory for all AUD students except UAE Nationals. In order to meet this requirement by enrolling in the AUD-sponsored health insurance plan, students are charged a non-refundable fee on their Fall semester bill covering the period September 1 through August 31.

For this fee to be waived, students are required to provide evidence of currently valid private health insurance covering care in the UAE (original insurance card or attached colored copy) to the Finance Office. **Deadline to do so is the last day of the Fall semester Drop/Add.** Failure to provide this proof before the deadline will result in canceling your option to waive the health insurance coverage and associated fee.
