

## AUD HEALTH SERVICES

Dear incoming student,

AUD prides itself on offering quality health services. To maintain our standards and fully address the health and medical needs of our students, the AUD Health Center requires that all AUD students submit the Student Health History Form, **endorsed by a physician**, to the AUD Admissions Office, or to the AUD Health Center.

All health information is confidential. Only the following staff members can discuss the content of medical documents, with the health professionals (as needed): President, Vice President, Provost, Dean of Student Services, Director of Student retention and success, and Housing Manager (for dorm students). All student medical records are kept under a locked filing system; they are not released to others without the written consent (Authorization of Health Information Release) of the student or his/her parents. The AUD Health Center personnel are available 24 hours a day to answer any health-related questions and concerns.

### **Student Health Insurance**

Private health insurance covering care in the UAE is mandatory for all AUD **sponsored** students. Health insurance fees are payable at the time of visa application. (Kindly check fees with Finance).

AUD non-sponsored students are required to have and maintain private health insurance covering all UAE care. They can join the AUD-sponsored health insurance plan at the beginning of each semester subject to approval from the insurance company. Insurance fees are subject to change.

### **Students with Special Medical Condition: Students of Determination**

The American University in Dubai aims to guarantee an integrated and inclusive learning experience for students with special needs. It is committed to providing students of determinations with reasonable accommodations and equal access to university programs and activities. Special needs comprise disabilities that limit one or more major life activities and medical issues requiring special and immediate intervention.

Special Needs cases could be Physical, Mental, or related to Learning disorders.

The Health Center welcomes and encourages students with special needs to identify themselves and to seek the needed support.

Best wishes for a healthy educational experience at AUD
