

1. POLICY NAME: **SMOKE-FREE CAMPUS**

2. POLICY CATEGORY: **GENERAL POLICIES**

3. POLICY STATEMENT:

In order to maintain a healthy environment at AUD and to promote the prevention of illness and encourage students, staff and faculty to lead a healthy lifestyle, a smoke-free campus policy has been put in place to reduce the use of tobacco products on campus. The objectives are to reduce the number of smokers on campus and to support those who wish to stop smoking; discourage freshmen students from starting the habit as university students; and to raise awareness on the dangers of smoking.

Those responsible for the application of the policy are the Security Supervisor and Security Staff, Student Affairs Office, and Human Resources Office.

Three isolated areas on campus have been designated for smokers, equipped with benches and ashtrays. A three point warning system is in place for AUD students, faculty and staff members caught smoking outside these designated areas. (See *AUD Student Handbook* for details).
