SEMESTER

Students who are accepted and enrolled on a full time basis are eligible to be sponsored by the university. The university will process the visa **ONLY** once all the required documents and payments are received.

I, the undersigned, fully understand that:

- AUD does not assume responsibility for the granting of the visa as denials and delays may occur from the Department of Naturalization and Residency Dubai (DNRD).
- It is solely my responsibility to provide all the required documents as requested by the university. Should I fail to provide the requested documents in a timely manner, the university will not be held responsible for the delayed process and submission of the visa application. Delays in providing the university with the required documents may have financial implications.
- If I get placed in the Intensive English Language Program as a result of the English Accuplacer exam I take, I will not be able to start with the desired Bachelor Program. In case I do not wish to attend the acquired level, then the visa will be immediately cancelled.
- Should I fail to attend the semester stated above; or if I withdraw from all my courses during the semester, the visa will be immediately cancelled.
- Students sponsored by AUD are required to enroll in the AUD-sponsored insurance plan.
- If the DNRD has not issued my visa by the first day of classes or has denied my visa, and I still wish to attend classes, I need to make my own visa arrangements.
- If I can no longer attend classes because I was not able to arrange for my own visa, I need to officially drop/withdraw from all of my classes, according to the university's rules and regulations explained in the schedule below, to be able to receive a tuition refund.
