Dear Dr. Cornaro:

The 2024 Annual Report for the Bachelor of Architecture program at American University in Dubai was reviewed during the April 18-19, 2025, meeting of the Board of Directors of the National Architectural Accrediting Board (NAAB).

Based on the review of the Annual Report, the NAAB directors voted to accept the Annual Report and require a Special Report to address the following areas:

Condition 6.6 Student Financial Information

Financial information is general and does not specifically address any additional requirements of the architecture program.

The program must provide a narrative and supporting evidence to demonstrate compliance with these Conditions. The Special Report is due no later than June 30, 2025.

Please feel free to contact us with any questions at accreditation@naab.org.

Sincerely,

Jeffrey L. Day, FAIA, NCARB
President
