

### Adjunct Instructor of Mathematics

The **School of Arts and Sciences** at the American University in Dubai invites qualified applicants for the part-time position of **Adjunct Instructor of Mathematics, effective Fall 2023**.

The successful candidate will have:

- Minimum of a Master's degree in Mathematics, Mathematics Education or a related field from a Western accredited university
- Experience teaching Developmental Math courses.
- Previous teaching experience in a Western higher education system preferred, with high ratings of teaching effectiveness;
- Excellent English written and oral communication skills; and
- An ability to work collegially within a team of faculty members.

The American University in Dubai is a private, non-sectarian institution of higher learning founded in 1995. It serves UAE nationals and international students who seek world-class career-oriented education. AUD, as an international institution of higher education, encourages global understanding by providing an atmosphere of cultural diversity and opportunities for an international education.

Successful candidates will need to provide original academic transcripts.

The University has flexible timings including morning, afternoon and evening classes.

This position is part-time and suits those candidates already resident and under sponsorship in Dubai.

Applications will be accepted and evaluated until this position is filled.

Interested applicants must submit the following requirements via email to [facultyrecruitment@aud.edu](mailto:facultyrecruitment@aud.edu).

- Cover letter
- Updated CV
- Statement of teaching philosophy
- Contact information of three (3) academic/professional references

Alternatively, applicants can submit their application materials to the following postal address:
